

Good morning
everyone!

Welcome

We do not always understand things straight away, we need someone to teach us and to explain to us all the different things that we see in the world.

Jesus teaches his disciples in yesterday's gospel story.

Let's think about how we learn today.

Opening prayer

Dear Loving God,
we give thanks for our school, our friends and our teachers,
who help us when we don't understand.

We pray that all children may have the chance to go to
school to learn the skills that they need for the future. We
asked this through Christ our Lord.

Amen.

Gospel: Luke 24:35-48

The two then explained to them what had happened on the road, and how they had recognized the Lord when he broke the bread.

While the two were telling them this, suddenly the Lord himself stood among them and said to them, "Peace be with you."

They were terrified, thinking that they were seeing a ghost. But he said to them, "Why are you alarmed?

Why are these doubts coming up in your minds? Look at my hands and my feet, and see that it is I myself. Feel me, and you will know, for a ghost doesn't have flesh and bones, as you can see I have."

Jesus appears to His disciples

Gospel: Luke 24:35-48

He said this and showed them his hands and his feet. They still could not believe, they were so full of joy and wonder; so he asked them, “Do you have anything here to eat?” They gave him a piece of cooked fish, which he took and ate in their presence. Then he said to them, “These are the very things I told you about while I was still with you: everything written about me in the Law of Moses, the writings of the prophets, and the Psalms had to come true.”

Then he opened their minds to understand the Scriptures, and said to them, “This is what is written: the Messiah must suffer and must rise from death three days later, and in his name the message about repentance and the forgiveness of sins must be preached to all nations, beginning in Jerusalem. You are witnesses of these things.

Gospel reflection

What do you remember from today's reading?

The disciples were talking to each other when suddenly Jesus appeared amongst them.

They thought they had seen a ghost! How would you feel?

Jesus appears to His disciples

Jesus explained to his friends all that it said in the Scriptures about him.

The disciples then understood that Jesus had risen from the dead and was the Son of God.

They truly believed in him, and they were happy.

Gospel reflection

Learning and understanding is very important.

Who helps you to learn?

Who do you ask when you don't understand something?

Teachers at school help us to learn and understand the world around us. But not all children around the world have the same chance to learn.

Their parents might not have enough money for them to go to school. There might not be a school near to them. Or they might have had to leave their homes because of fighting. Or there might be another reason why children can't learn as well as they would like.

Gospel reflection

How would you feel if your parent haven't got money to send you to school or buy your school uniform?

What would you do if you didn't have a school close by to go to?

Or if there are no electric lights to help you see to read and draw when it is dark?

Let us always be thankful to God for what we have.

Let us Pray

All children should have the chance to go to school and to learn. Let us think about this as we pray together:

We pray for children in other parts of the world: that they may have the chance to go to school and learn the things that they need for the future.

Lord in your mercy...

All Response : Hear our prayers

We pray for our teachers and parents: that they may always make time to explain things to us when we do not understand.

Lord, in your mercy...

All Response : Hear our prayers

God our teacher, help us understand your great love for us, and to share that love with our brothers and sisters throughout the world, as we work to make the world a better and fairer place. Lord, in your mercy...

All Response : Hear our prayers

have to be brilliant,
rich, beautiful, or perfect.
You just have to care.
